Block 1 - Make 18

Block 2 - Make 18

- Finished Quilt block size is 12".
- Quilt size is 72" x 72".
- Fabric strips are cut 2" wide by width of fabric (WOF) selvage to selvage.
- Seam allowance is a scant 1/4"
- Follow chart to see the number of strips to cut for each fabric color.
- Press in direction of arrows after each step.
- First letter is for block 1 and second letter in () is for block 2.

Sewing the blocks

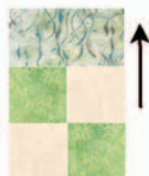

1. Sew an A (I) 2" square to an H (P) 2" square. Make 2.

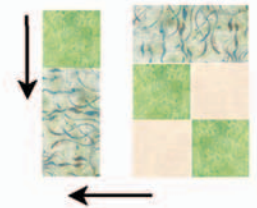

2. Sew together to make a four-patch.

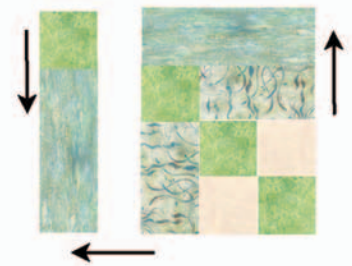

3. Sew a G (O) 3 1/2" rectangle to the four-patch as shown.

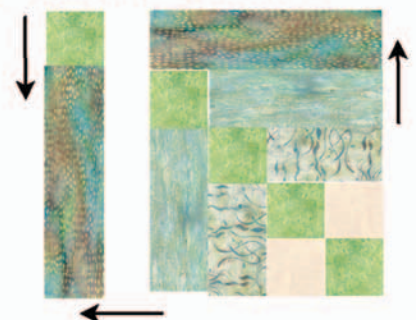

4. Sew an A (I) 2" square to a G (O) 3 1/2" rectangle. Sew onto block.

5. Sew an F (N) 5" rectangle to the block. Sew an A (I) 2" square to another 5" rectangle. Sew onto the block.

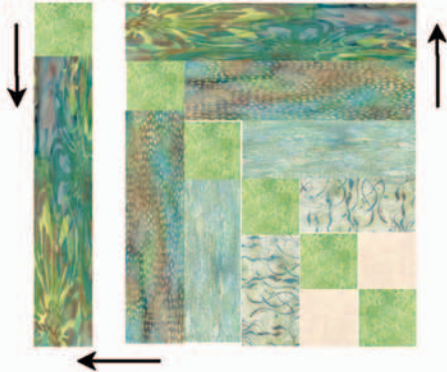

6. Sew an E (M) 6 1/2" rectangle to the block. Sew an A (I) 2" square to another 6 1/2" rectangle. Sew onto the block.

7. Sew a D (L) 8" rectangle to the block.
Sew an A (I) 2" square to another 8"
rectangle. Sew onto the block.

8. Sew a C (K) 9 1/2" rectangle to the block.
Sew an A (I) 2" square to another 9 1/2"
rectangle. Sew onto the block.

9. Sew a B (J) 11" rectangle to the block.
Sew an A (I) 2" square to another 11"
rectangle.
Sew onto
the
block.

Make 18 blocks in each color way that
measure 12 1/2". You will have a total of
36 blocks.

Assembling the Quilt

- Alternate blocks and arrange as shown in cover picture.
- Sew the rows together.
- Press the seams of each row in opposite directions.
- Sew the rows together. Press seams.
- Because there is no border added to this quilt so you will need to **stitch around the entire perimeter of the quilt top** so that the rows of stitching in the blocks will not pull out. This makes the quilt top easier to handle while quilting. Stitch with a regular stitch about 1/4" from the entire outside edge.
- Layer quilt with batting and backing and quilt top in an over all design.

Binding - Cut binding fabric into 8 strips 2 1/2" by WOF. Sew binding strips end to end, right sides together. Press in half lengthwise, wrong sides together. Attach to the front of the quilt, press over and sew on by hand or machine.

Make a label for your quilt and enjoy.
